WORK EXPERIENCE

Consultant

Ernst - 2015 to Present

Job Profile:

- Responsible for executing client related engagements in the areas of governance, risk & compliance (GRC), internal audits, process reviews, standard operating procedures, enterprise risk management, revenue assurance, SOX 404 & Clause 49 assistance.
- Determine that the work delivered is of high quality.
- Anticipate and identify engagement related risks and escalate issues as appropriate.
- Actively establish client (process owner/functional heads) and internal relationships.
- Assist Seniors & Managers in developing new methodologies and internal initiatives.
- Undertake other tasks and activities as directed.

Key Clients:

I was leading a team which was involved in conducting a risk diagnostic review for a leading company in the automobiles industry and developed an SOP for the process of Procurement, Production and Inventory Management.

I have been part of the audit team of the world's leading chocolate manufacturing company and handled areas such as Production & MIS reporting, Procure to Pay, contractual labor, scrap management and order to cash procedures.

Design gap review of various operational processes for a company in the Dairy industry. The reviews involved testing the completeness and adequacy of policies and procedures for the different functions - Milk procurement, Production & Inventory Management, Order to Cash, Fixed Assets & Financial Statement Closure Process.

I was part of core internal audit team for a Pharma company and handled Procure to pay, Working Capital review, Inventory management, EXIM review and financial statement closure process review.

Manager

K Sathya CO - Chennai, Tamil Nadu - 2014 to August 2014

February 2015

Job Profile:

I have been heading the internal audit team of a chemical company (SDS Ramcides Cropscience Pvt Ltd) that manufactures pesticides and fertilizers. It has factories and branches all over India. Core areas and assignments covered apart from the regular internal audit routines are as below:

- Ø Export Costing analysis
- Ø ERP implementation Audit
- Ø Risk Based audit for core areas. (Sales Purchase & Inventory)
- Ø Preparation of Standard Operating Procedures in compliance with J-SOX. (Japan Based Company)

I report directly to the partner of the firm and interact with the CFO cum Director-Finance of the company and hence have gained vast knowledge on the management perception of things and got an opportunity to move with the personnel in higher echelons of the organisation.
